# Overview

Court Grammar School, previously known as Serpentine Jarrahdale Grammar School, whose name was registered on 11 October 2004 by a group of local residents led by the Anglican Parish of Serpentine Jarrahdale who had the vision, commitment to the local community and determination to establish a local high school for the children of the Serpentine Jarrahdale Shire. The School commenced operation with 47 students in February 2006 in the old Mundijong Shire offices. The School flourished from the start as enrolments grew to over 250 by the commencement of the 2009 school year.

The School was fortunate to receive a gift of land from the Bett family located on the corner of Bishop and Soldiers Roads in Mundijong. Building commenced in 2008 and was completed in 2009. A second build was undertaken in 2011 and further buildings commenced in 2015/6. In 2016, the School became the first Pre-Kindergarten to Year 12 school in the area. In 2020, a modern Art Centre was built comprising of specially designed art, drama/dance and digital technology classrooms. 2021 saw the commencement of a "Pavilion" comprising of additional classrooms and a library.

The Principal is responsible for the operation of the School, reporting to an independently constituted Board. The School's motto is Integrity, Humility, Community expressed through a RESPECT ethos.

These are articulated as:

- Respect for God
- Respect for Self
- Respect for Others
- Respect for Learning
- Respect for the Environment

The School's learning environment is based on the partnership between parents, teachers and students. Court Grammar School students have opportunities to explore a wide variety of learning endeavours including sporting, academic and cultural activities while a focused core curriculum emphasises literacy and numeracy skills. The whole person is encouraged to grow through a strong and developing pastoral care system and a strong and developing sense of belonging within the School community.

Our Primary School practices a nature based pedagogy and this is reflected in the set up of their classrooms and is enabled by our location which is a semi-rural part of Perth.

An AFL/W Academy was introduced in 2017, whereby selected students are exposed to professional coaches, athletes and resources during school contact time to excel in the learning of our great Australian game. The AFL/W Academy continues to grow each year with over 200 students involved in Years 5 to 12.

2021 saw the introduction of an Arts Academy whereby selected students are able to focus on either Musical Theatre or Visual and Digital Arts. The Academy has 32 students in Musical Theatre with another 14 students in Visual and Digital Arts. 4 students attended both. All Academy students participated in the School's production of "Aladdin Jr" as part of the programme.

Our Mission:

"Empowering each child for their lifelong journey"

Our Values:

### Integrity

Adherence to moral and ethical principles, soundness of moral character and honesty

### Humility

Demonstrating respect for others in all areas at all times

### Community

Students, staff and families growing together and serving one another to support the mission and values of the school.

Board Changes in 2021: Mrs Christine Bradbury resigned

Mr Rob Coales, Mr Jake Branley and Mr Jeff Thorne were appointed

# FROM THE PRINCIPAL - *Patricia Rodrigues*

## 2021 Respecting our Environment"

**2021**, was the year we dedicated to **"Respecting our Environment"** it began with an unusual "lockdown" due to the COVID pandemic, whereby the start of the school year was delayed. This proved to be the way the year continued with many challenges faced due to the continuing COVID-19 pandemic. We sought to provide our students with normal school experiences differently in line with the Governments' guidelines.

The **Sir Charles Court Futures Assembly** Oration was delivered by Mr Jake Branley, Head Boy 2014, the first former student to be invited to do so. Jake emphasised the meaning of community from Sir Charles Court's view, his own personal view and the school's view. The SCCF Assembly also saw Bridget Ritchie inducted into the 90's Club with her ATAR score of 98.4, along with the presentation of our student leaders and year 12 students.

Our **School Board** appointed three new members during the year. Mr Rob Coales, Mr Jake Branley and Mr Jeff Thorne. Mrs Christine Bradbury also resigned after a long association with the school. I thank the members of the School Board for their commitment, enduring support, and guidance to our School.

The **infra-structure** improvements to our school during 2021 included refurbishing the Year 7/8 classrooms, a covered structure over the junior basketball courts, installation of water coolers, extensions to the staff room and the relocation and refurbishment of the after-school care building. Planning and initial works also commenced for the construction of the "Pavilion", a double storey building incorporating classrooms, an E library and staff office space.

**Student numbers** continue to improve with year groups being at capacity and wait lists in our Primary years.

We introduced a Year 10 elective "Automotive" due to the overwhelming interest in last year's co-curricular "Court Motor Works".

The **official opening of the Arts Centre** took place on 5 March, with Bishop Kate Wilmot, Assistant Bishop of Perth and Mr Andrew Hastie MP, Assistant Minister for Defence and Federal Member for Canning officiating. The inaugural Arts Academy students were inducted during the opening ceremony. The Arts Academy students along with other members of the school presented **"Aladdin Jnr"**. An overwhelming success with sold out performances over several days.

2021 also saw the introduction of the **Rite Journey** the centrepiece of the Year 9 pastoral care programme, which acknowledges and celebrates students journeys into adulthood.

**School on the Road** experiences included the Year 7's travelling to Albany, Year 8's to Nanga, Year 9 and 10 travelling to Ningaloo. Both the Year 9 and 10's visited Ningaloo as the Year 9 camp in 2020 was postponed due to the pandemic. The school believes in providing students with the opportunities that arise from the school on the road type experiences, even though we could not go interstate.

# FROM THE PRINCIPAL - *Patricia Rodrigues .....*

The school continued to support **Anglicare** throughout the year with many fundraising activities. Over 40 students and staff participated in the annual Anglicare Sleepout and raised more than \$8000 for the cause. 2021 saw the enhancement of the service component in our school, with the introduction of service learning in Year 10, whereby year 10 students provided **service** in the primary school.

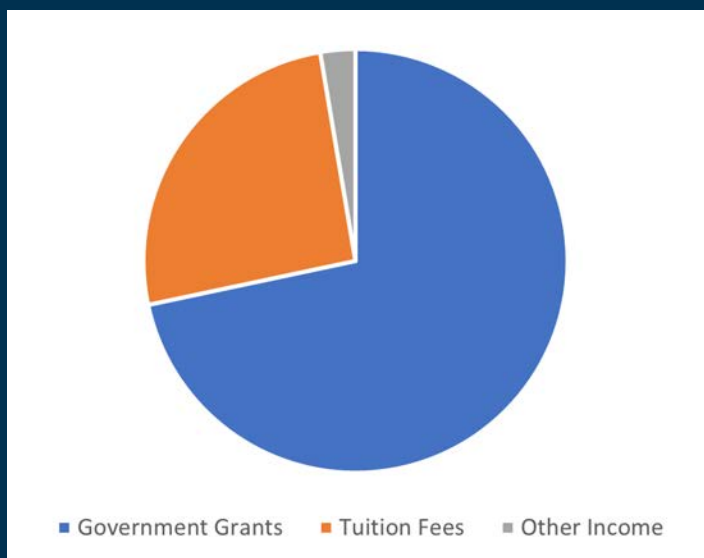

The **AFL/W Academy** continued to develop with over 200 Year 5 to 12 boys and girls involved. Highlights for the Academy this year include:

- The Year 6 team were undefeated Champions at the IPSHA Football Carnival.
- The Year 7 AFL and AFLW were ACC Divisional Champions.
- The Year 8/9 AFL and AFLW teams along with the Year 10 AFL and AFLW and the Year 11/12 AFLW were runner ups in their respective competitions.
- 20 boys were selected in the WAFL development Squads with 3 boys in State teams.
- 10 girls were selected in WAFL Development Squads with 3 girls in State teams.

Our co-curricular programme continued to grow with many students involved in a wide range of activities including, Chess Club, Mountain Bike Club, Lego Robotics and Police Rangers to name a few.

Term 3 concluded with **Court Grammar Day**, which we hope will become a tradition incorporating our Spring Arts Festival and inter-house football match, with Yarrabah winning the inaugural game. Students enjoyed many activities including the 2nd Year 9 "Billy Cart" race. This was certainly a favourite on the day.

## School income by funding source, Tuition fees, government grant and subsidies other

We appreciate the support of the Anglican Diocese of Perth and assistance provided by the Anglican Community Fund.

# Teacher Standards

All academic staff are registered with the Teachers Registration Board of Western Australia (TRBWA) and all staff personnel have the required Working with Children (WWC) check.

Mountain Bike Club

# Student Numbers

Our numbers have been steadily increasing over the past couple of years. In 2021 a fourth stream of Year 7's was introduced to cater for the increase in our primary numbers.

	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021
Girls	143	189	223	229	242	243	235	277	266	262	272	318	344
Boys	148	196	216	246	243	240	245	284	293	289	316	364	417
Total	291	385	439	475	485	483	480	561	559	551	588	682	761

The 2016 - 2021 numbers do not include those students in Pre-Kindergarten.  
In 2021 there were 40 students enrolled in Pre-Kindergarten

## Non-Attendance Management

Parents/Guardians are required to notify the School of any known emergency, absence or illness by 9.00 am on the morning of each school day. The School contacts parents/guardians via phone call, sms or letter if parents/guardians do not contact the School on the day of an absence. If parents/guardians are intending on taking their children out of school for an extended period of time they must notify the Principal.

If a student's attendance falls below 90% or has been identified as being "at risk" intervention strategies are put in place by the School.

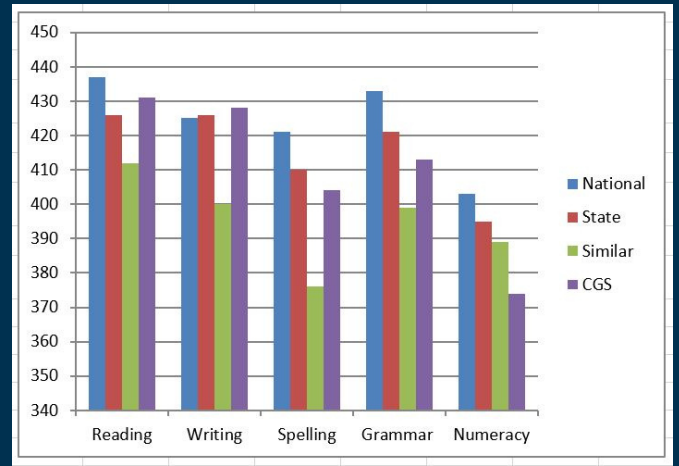

## Student Attendance

Whole School average attendance rate 93.5%  
COVID has influenced this figure

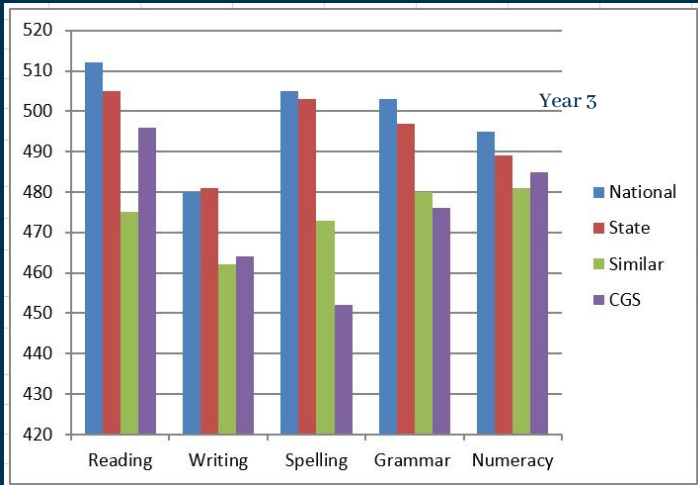

Kindergarten	95	Year 7	93
Pre-Primary	92	Year 8	93
Year 1	95	Year 9	92
Year 2	94	Year 10	91
Year 3	94	Year 11	95
Year 4	95	Year 12	93
Year 5	94		
Year 6	93		

# NAPLAN Results

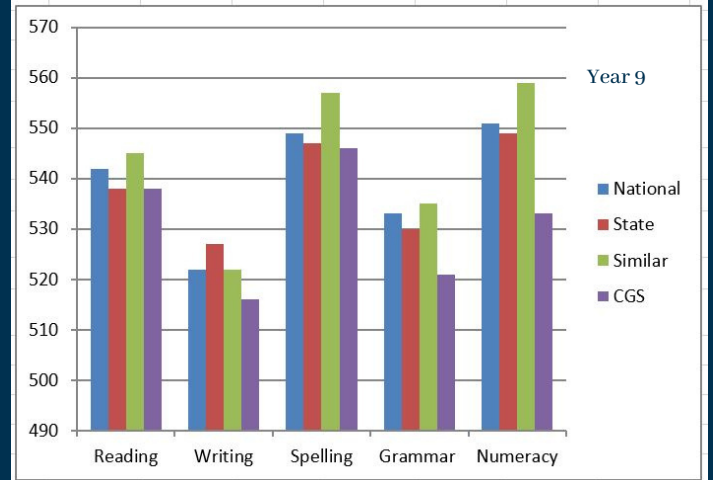

Year 3

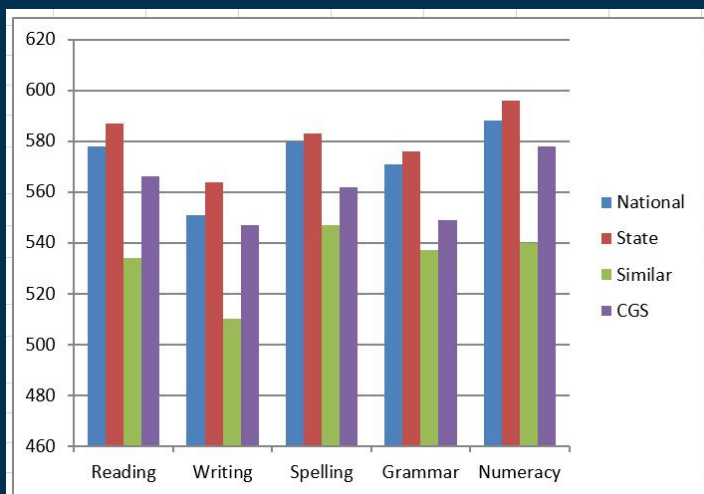

Year 5

Year 7

Year 9

Please Note: The National, State, Similar and Court Grammar School Cohort Mean scores are shown.

# WACE Achievement

In 2021 Court Grammar School had 37 students enrolled in Year 12, at the completion of the year all 37 students met the graduation requirements and achieved their WACE certificate, an excellent result.

Two students received ATAR awards, Bridget Ritchie received a Subject Certificate of Excellence in Biology and Certificate of Distinction and Geneva Borg received a Certificate of Merit.

Bridget Ritchie, CGS 2021 Dux was also inducted into the 90's club with her ATAR score of 98.4.

The percentage of students generating an ATAR score continued to be below 50%, with only 45% of Year 12's generating an ATAR score in 2021.

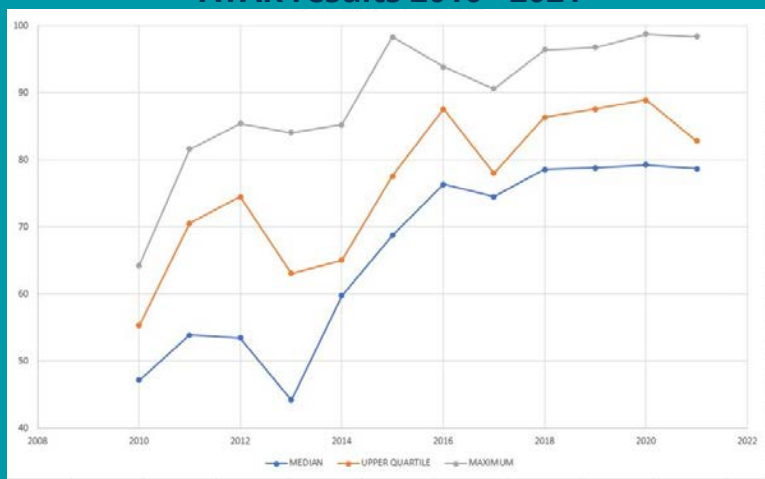

Review of the 2021 ATAR performance focuses on the performance of students who studied less than 4 ATAR subjects, and hence did not receive an overall calculated ATAR score, but had an impact on the overall performance of the School.

The average scaled score of all students in all ATAR subjects was 55.44%.

46% of the students achieved an ATAR score

27% of the students achieved a Certificate

ATAR results 2010 - 2021

## University Admission Statistics

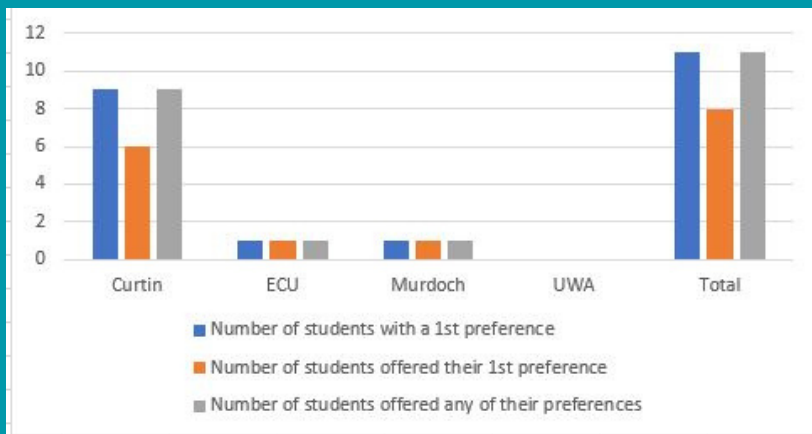

Number of students with an ATAR who applied

10

Median ATAR of the students who applied

75.85

University Admission Statistics

The university admissions statistics has been heavily influenced by the early offers programs as many students who received and accepted an early offer directly from the university did apply through TISC, therefore do not appear in these statistics

## University of Notre Dame

The University of Notre Dame does not use TISC statistics as a basis for enrolment. It is not known if any of our students had been offered and accepted places at Notre Dame.

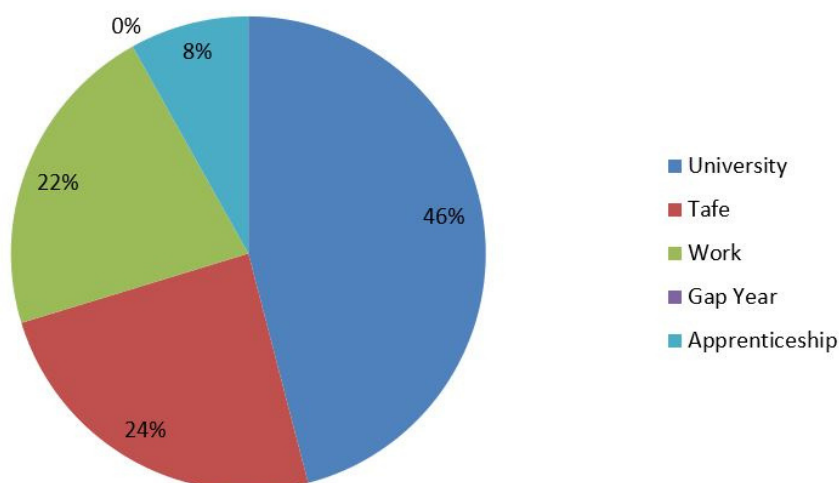

## VET Achievement

In 2021 Court Grammar School offered School Based Vocational Education and Training in: Furnishings (Cert II), Hospitality (Cert I & Cert II), Visual Arts (Cert II). Students also accessed several certificate courses through off-campus training providers. The table below outlines the number of students who completed certificate courses in 2021.

Certificate Achievement			
	Year 10	Year 11	Year 12
Certificate I	26	0	1
Certificate II	0	9	8
Certificate III & IV	0	0	1

It was pleasing to see the achievement of Cert III for three students in Year 12 who pursued courses via VET-in School's programs offered by TAFE. It is to be noted that 2020 was the last year where students were required to obtain a Cert II for WACE achievement if they did not obtain an ATAR score. This has an impact in that there is a reduction of students accessing off-campus TAFE.

### 2021 Year 12 Post School Destinations

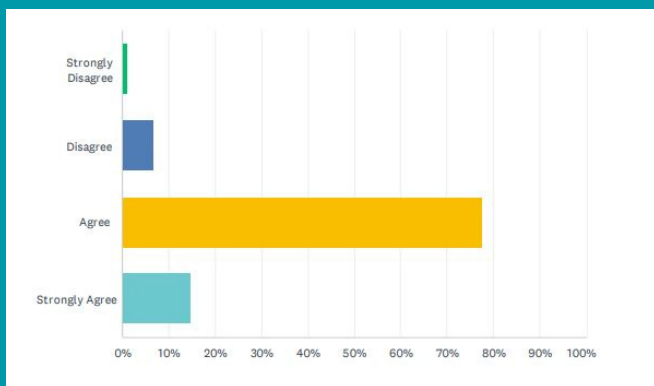

# Parent and Teaching Staff Satisfaction

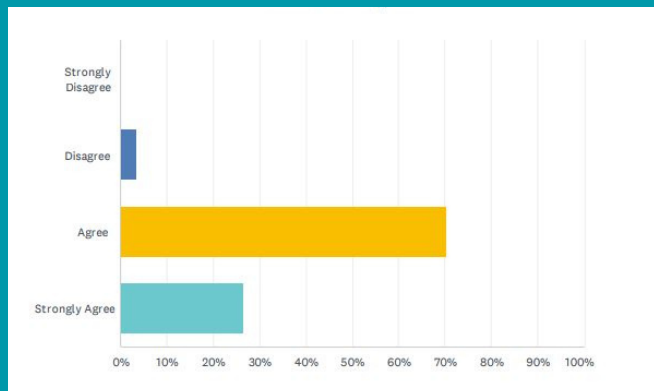

Parent and Teaching Staff satisfaction is captured via various methods throughout the year such as informal and formal discussions, written correspondence and surveys. The latest survey conducted by the School for Parents and Teachers continued to focus on a wide range of aspects such as Culture within the School, Expectations, Pastoral Care and the ethos of the School. Below are some examples of questions asked and the responses received.

## Parents

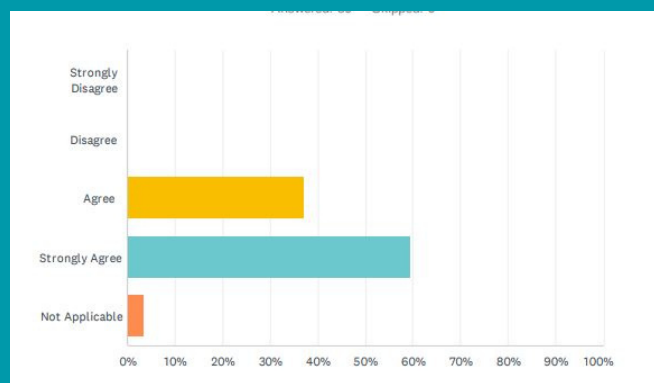

CGS provides a fair choice Co-Curricular programme.

At CGS facilities are attractive, contemporary & support the learning programme.

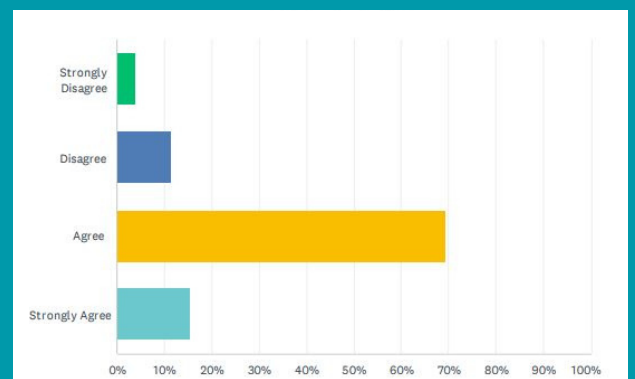

I encourage my child to take appropriate responsibility for his/her learning (being on time, prepared, completing their work etc.)

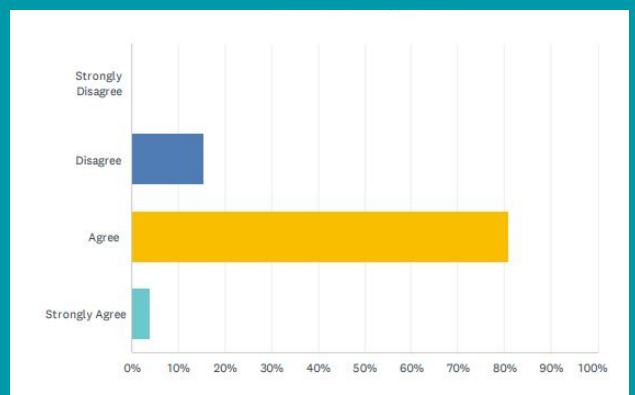

## Staff

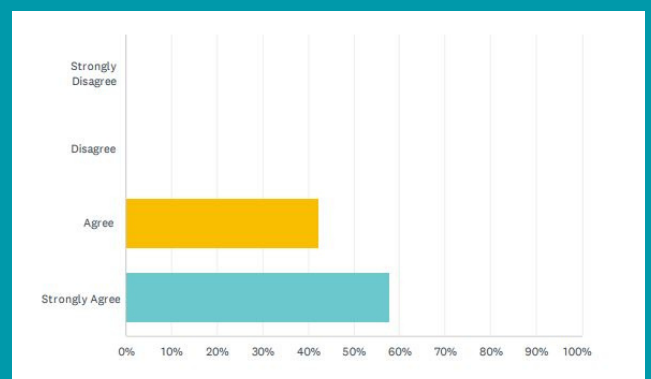

CGS reports accurately reflect a child's progress and ability.

CGS parents are approachable and willing to talk about their child's progress.

Teachers care about students at CGS.

A photograph of a sunset over the ocean. The sun is a bright yellow orb on the horizon, with a gradient of orange and red in the sky. The water is calm, reflecting the colors of the sky. In the foreground, a group of students are silhouetted against the bright light of the sunset. They are standing on a grassy or sandy area, looking out at the water. The overall mood is peaceful and contemplative.
