

THE COURT CHIMES

2022, "RESPECT FOR SELF"

FROM THE PRINCIPAL'S DESK

PATRICIA RODRIGUES OAM, PRINCIPAL

We would like to congratulate Callum Wilson (**Alumni 2016**) on being offered his PhD in Medicine. Callum advised us earlier this week that he has achieved his long-held dream, since Year 3 of becoming a Doctor! Congratulations once again.

Last week, we commemorated **Remembrance Day** with an Assembly in which each year group laid a wreath to remember those who have paid the ultimate price in protecting our community.

The **Year 12 Farewell Service and Graduation Assembly** were wonderful celebrations for the end of secondary schooling for these students. We wish those Year 12's who are currently completing their ATAR exams all the very best along with those who have already embarked on their chosen fields.

Congratulations to Cooper Campbell, Storm Kingston, Lauren Mladenovic, Abby Quinn, Ella Simmons, Piper Smith and Aandeep Sran in the Primary and Madison Grover, Shera Hudson, Maddison Humphreys, Curtis Inglis-Hodge, Isabelle McKeig, Sam Piotrowski, Shay-Li Reid, Tight Shaw and Chloe Young in the Secondary who have been appointed as our **Leaders for 2023**. They will be officially presented to the School community at Presentation Night.

Our **Presentation Night** will be held on Thursday, 8 December commencing at 7.00pm where we publicly acknowledge those students who have excelled in their studies in Years 3 to 11. Letters will be sent home in the next couple of weeks to those parents whose children are receiving an award, however all students are encouraged to attend. The Year 12's were awarded as part of their Graduation Assembly.

Court Grammar School Upcoming Events

Monday 14 November

CHAPLAIN'S CHAT

REVEREND NOEL OAKY

“We can, and should also, celebrate Christmas despite the ruins around us....I think of you as you now sit together with the children and with all the Advent decorations—as in earlier years you did with us. We must do all this, even more intensively because we do not know how much longer we have.”

An extract from a letter from Dietrich Bonhoeffer to his parents, November 29, 1943, written from Tegel prison camp.

In November of 1943, German pastor Dietrich Bonhoeffer found himself in prison without any knowledge of when or if he might be released. With war raging around him there was no telling whether he might ever see his family again. Bonhoeffer was executed by the Nazis in April 1945.

Bonhoeffer wrote about the value of celebrating Christmas even while he was in prison with very little earthly hope. He helps us see how our immediate circumstances do not dictate whether we have good reason to wait for and hope for the next coming of Jesus Christ.

Traditionally, Advent is celebrated during the four Sundays before Christmas. On those four Sundays, many churches and families will mark the days by lighting Advent candles or an Advent wreath. Each candle represents four biblical themes: Hope, Faith, Joy, and Peace.

The word, “advent”, simply means “coming”. In the context of the Christian faith, it represents our celebration of the first coming of Christ and our anticipation of his second coming.

For many Australian families, Christmas is a tough time, with societal expectations of what their Christmas should be like.

An original Australian concept is the Reverse Advent Calendar. This idea has now gone global and a link is below if you wish to be involved.

<https://www.foodbank.org.au/wp-content/uploads/2021/11/2021-Reverse-Advent-Calendar.pdf>

Year 12 ATAR Examinations

Year 12 ATAR students have begun their final examinations. I would like to wish all students taking examination over the next few weeks the best of luck. I know, through conversation with many of you, that you have been working hard and focusing on these examinations for quite some time. All your hard work will, I'm sure, pay off. I look forward to hearing great news in December when your results are available.

Examinations for Year 7 - 11

Year 11 students have now received their ATAR examination timetable and are well on their way to finalising study plans for their upcoming examinations. Next week the examination timetables will be made available for students in Year 10, and following this, students in Year 7 – 9 will receive their examination timetable. Staff have been preparing examination practice questions for students to ensure students are well-rehearsed in what to expect.

2023 Vocational Education and Training

Congratulations to the 22 students who were offered places for South Metro TAFE's 2023 VET Delivered to Secondary School Students programs. These programs were highly competitive, and it is a testament to the hard work of the students and the preparation spent on their applications that has seen student success skyrocket. In 2023, Year 11 and 12 students will be participating in courses such as Electrotechnology, Engineering, Aviation, Education Support, Childcare, Automotive, Plumbing and Animal Care.

DEPUTY NEWS

MIKE JENZEN, DEPUTY PRINCIPAL

As part of the lead up to our Remembrance Day Service this year, all classes made wreaths to lay as well as poppies for every student to wear. The laying of the wreaths had an extra sense of community as the line of students representing classes from Pre-Primary to Year 11 grew in stature as they came forward to pay their respects. A special thankyou also to Year 11 student Maija Drake for playing the last post and reveille on the trumpet. It was a memorable service!.

Last term, as part of our Service initiative, we sort the donation of items to support the Coodanup Church to provide emergency hampers for families who are struggling. We recently received this beautiful card.

NAPLAN Results: Year 3 and Year 5

In May of this year, our Year 3 and 5 students carried out NAPLAN assessments across the subject areas of Numeracy, Reading, Writing and Conventions of Language (Grammar, Punctuation and Spelling). These assessments offer students, parents/caregivers and the School an overview of where strengths and

development needs lie in these areas. NAPLAN is by no means the only assessment we use to gauge this, but due to the fact that NAPLAN assessments are used with all Year 3 and 5 students nationally, the data we receive from the assessments allows us to reflect on individual and school progress compared to other schools, states and territories. The results this year were very strong, the best we have seen in many years. The results let us see that the changes we have made to curriculum have been positive and meaningful. We pride ourselves on being able to offer a balanced and relevant curriculum, backed up by evidence-based programmes. As a school, we are very proud of the journey we have taken, and this paves the way for the future. Thanks must be given to the hard work and dedication of the teaching team across the Primary School as achievement is not accredited only to Years 3 and 5.

Fundraising Discos

Our Year 6 leaders traditionally organise K-2 and discos in Term 1 of each year. This year, COVID restrictions prohibited us from doing so. However, you will note from recent communication that Mr R Taylor, Mrs Balla and Miss Birmingham will be organising these events for November 25. The theme is 'My Film Hero' and all proceeds raised will go to Anglicare.

Class Lists, Class Placement and Orientation Day for 2023

It is at this time of year that the Primary staff and I begin to group children into classes for 2023. Next year, the School will be double stream (2 classes) in Pre-Kindergarten, Kindergarten, Pre-Primary, Year 1, Year 2, Year 4 and Year 6 and triple stream (3 classes) at Years 3 and 5.

The formulation of classes is something that takes a great deal of thought and attention to many different variables. We must consider a balance of gender, achievement levels and social groupings. We often receive requests for specific teachers or for children to either be placed with or without specific children. These requests are always noted, but I must take this opportunity to make a friendly reminder that class lists are completely at the discretion of the School. As a School, we offer a full orientation day in November where all existing and newly enrolled children can spend a day with their 2023 class and teachers. Information relating to this was sent home via SEQTA this week. This is a wonderful way to relieve any anxiety that may be present in moving forward. At CGS, we do not post lists on doors in February – we believe that knowledge of placement early is the best and most positive way forward.

Year 9 Bibby Track

On Friday 9 September, the Year 9's climbed Mount Cook as one of the many challenges faced within The Rite Journey Programme. After a broken-down bus and a sprint across the busy Albany Highway, we climbed Sullivan Rock. The day started off chilly but it quickly heated up just in time for our 19 kilometre hike.

We did the walk as one of the seven challenges of the Rite Journey, which is a programme to transition us to adults. The walk challenged ourselves and made us push ourselves out of our comfort zone. There were many challenging moments, like the steep uphill parts where you have to try not to fall over on the slippery rocks, or having to keep going while you're sore and tired. It made us realise that sometimes when things are tough, you just need to push through and the results will be amazing!

The path varied a lot between being so narrow you had to hike single file and between being so wide it could fit a truck. There was also variations between it being so steep you were lunging every step and being basically flat. Some people decided to go fast for a race to the top of the mountain, while others went at more of a stroll to have a chat with friends.

Once we reached the top and saw the view, it was all worth it though. The peak of Mt Cook is almost 600m high, when you're at the top, you can look around and everything is below you. At the end of it all you feel is a real sense of accomplishment at climbing the mountain through all the easy parts and difficult parts.

We then walked down back to the buses and got to the end where many of us had dreaded the last hill. Another challenge to get to the bus and get home! We all managed to make it back to the bus.

This event in the Year 9 programme is an amazing event, although challenging it is equally rewarding!

I would like to thank the teachers, support staff, and Year 11 students that joined us for the day. (Mr Snashall, Mr Furzer, Ms Tolhurst, Ms Inglis-Hodge, Mr Greeff, Tighe Shawe, Ben Barker, and Mr Campbell)

Tahlia Baird, Year 9 Student

Machine Pitch Carnival

Wednesday, 2 November, a small group of Year 7's and 8's went out to Empire Ball Park to compete in the Machine Pitch 70 Carnival. The Carnival had 5 schools in Division Two this year. We competed against schools from around Perth in a round robin competition; St Stephens x 2, Mazenod and Willetton SHS. The boys all contributed well throughout the day, seeing some great defensive plays, but many of the boys not being able to adjust to the slower speed of the pitch.

Big congratulations to Kyron Schwarz (Yr 8) who smashed the ball all over the park hitting in 6 home runs throughout the 4 games. Big well done to Sebastian O'Keefe (Yr 7), Xavier Olsen (Yr 7), Jye Rowe (Yr 7) and Lachlan Hewitt (Yr 7) who contributed tirelessly throughout the day with the bat and in the field.

Results of each game went as follows:

- CGS vs. St Stephens (2) WIN 9-0
- St Stephens (1) vs. CGS LOSS 4-2
- Mazenod vs CGS Loss 5-3
- CGS vs Willetton SHS WIN 17-3

As a result Court Grammar came home 3rd, due to the 2 very close losses.

All the kids enjoyed themselves, we did well with most of our team in Year 7! I am looking forward to next year, hopefully we can come home with the overall win!!

Mr Tristan Campbell

Arts Academy Awards Night

Congratulation to the students who were recognised at the recent Arts Academy Awards Night.

Visual/Digital Arts: Junior Academy

Most Improved – Lily Norris

Perseverance – Aoife Ebbelaar-Rhodes

Congeniality – Amelie Snowton

Congeniality – Madison Roberts

Musical Theatre: Senior Academy

Most Improved - Charlie Farrance-Ball

Perseverance - Jade Whiting

Congeniality – Keeley Thomson

Junior Triple Threat Award - Lola Trout

Triple threat Award – Isabelle McKeig

Mountain Bike Club - Windup 2022

The MTB Club, has now closed for 2022.

We will be looking for MTB Club expressions of interest, late in Term1, 2023, for the resumption of the MTB Club.

The students have gained a lot skills, fitness, confidence & friendships, while weekly riding in Jarrahdale, Turner's Hill in Dwellingup & the Camel Farm, Kalamunda.

In week 3 of this Term, saw the MTB Club students and regular staff, take the students to Kalamunda, for our season wind up event. The afternoon of riding, saw the students leave school at lunchtime, for an extended time riding the downhill trails & shuttle ride back to the top.

The MTB Club look forward to welcoming new and current students in Term 2, 2023.

Thank you again, to this seasons staff helpers.

Mr Campbell, Mr Greeff, Mr Snashall, Mr Andersson and Mrs Gallatly.

Mr Tristan Campbell & Mrs Jan Gallatly, MTB Coordinators

Year 7 - School on the Road

In week 2, Year Seven went on a two night, three day camp to Nanga Bush Camp in Dwellingup. It was a chance to explore new activities, possible hobbies, spend time together to bond with friends and possibly make new ones. Many were ecstatic, looking forward to three days off school and lounging about with friends, of course still partaking in the numerous activities. Some were anxious about what camp would have in store, unsure whether they really wanted to go at all. Either way, we all enjoyed ourselves.

The many activities included flat water rafting, raft building, zip line, rock climbing a group water activity, bush walk and lots of reflections on our character strengths and who we are as individuals. We even made an artwork that connected to the environment. The winner overall was flat water rafting because we enjoyed getting to swim and cool off in the river, as that day was quite hot and humid.

Another highlight was getting to stay with friends, trying new things and making new friends and memories. So I guess one could say with confidence that this was a successful camp but more importantly, everyone had a good time.

Imogen Laurijs, Yr 7 student

Kindy goes Wild!

During Semester 2, Kindy have been learning about the needs of living things in our inquiry unit. Last week, the children had a visit from West Oz Wildlife and got to learn first hand about some of our furry and scaly Australian animals. The children were all given the opportunity to pat the visiting koala, dingo, lizard, and snakes while learning about the different ways the wildlife handlers care for them. The children found out some interesting facts about the animals they met, their habitats and diets and they learnt how to be safe around our scaly friends in the wild.

It was a thoroughly enjoyable experience for the children and a wonderful opportunity to ask all those burning questions. We look forward to using this experience to enhance our inquiry and can't wait to see the end result.

Miss Sharon Cox and Mrs Elizabeth Fuller
(Kindy teachers)

A Court Grammar First: Duke of Edinburgh's International Award Qualifying Expedition

It seemed a long, long time since Covid regulations restricted them to a day's walk through the forest near Mundaring, and that suddenly seemed a poor preparation for the real thing.

Here they were, at Eagle Bay, near Dunsborough, maps to hand, weighed down with tents, tranjias, sleeping bags, bedrolls, food and water. As many 'D of E' groups have done before, they set out in the wrong direction, returning two minutes later to find the right path. However, once they settled down to a steady pace, on a reasonably clear track, with the ocean on the right, what could possibly go wrong?

There were many challenges in that first day, including snakes on the path, a couple of wrong turns, some gruelling climbs and beach walks where the soft sand drains the energy and resolve. The pace got slower and slower, due to injuries past and present. Well, that is one of the character building features for which the award is famous.

The whole group stayed together and were forced to walk at the pace of the slowest until, with the sun setting on a showery day they finally found the bush camp, high above Yallingup.

Our first ever D of E Bronze Group is a mixed age team of Police Cadets, comprising Drew and Matthew (Year 8), Jack (Year 9), Keanah and Tayla (Year 10).

A huge thanks goes to Bec Brown and Jay McTernan, Year 12, who gave up two days to help track the team along the Cape to Cape path, and ensure their safety. Their ATAR Outdoor Education training really paid off.

Duke of Edinburgh - Qualifying Expedition continued...

The rain had stopped and the tents were pitched. Dinner was a little disappointing, as the team managed to leave some of the ingredients at home. Culinary skills are definitely an area to work on, despite Jack's brave efforts at making M&M pancakes. My personal

opinion of this dish remains unprintable, as was the language used when discovering a giant centipede under Bec's tent when we packed away the next morning.

Day 2 was, surprisingly, less fraught with injury and exhaustion than Day 1, although two students needed some respite by lightening their packs. The team was keen to succeed, having come so far. Their skills of navigation

were improving with experience and by 2 pm they were finishing the final leg of this 32 km, two-day expedition, at Pea Break, near Injidup Beach, bang on time!

Duke of Edinburgh - Qualifying Expedition continued...

A particular 'thank you' goes to Ms Gallatly, our stalwart lab technician and outdoor expert, who tracked the team on foot for two days while I drove between checkpoints in the comfort and safety of the school minibus.

Four of the expedition team are aiming to complete their Bronze Award and are in the process of finishing their commitments to Service, Sport, and Creative Skills. We wonder who the first person to gain a Duke of Edinburgh Award at CGS will be?

*Mr Ken Sullivan
Duke of Edinburgh Award leader*

Year 2 Excursion to Caversham Wildlife Park

On Thursday 3 November, the Year 2 students went on an excursion to Caversham Wildlife Park. It was full of fun, adventure, and many different animals. The students, helpers and staff had a wonderful time exploring this incredible place.

We would like to thank the parent and grandparent helpers who joined us on our excursion. Mrs Hayley Higgs and Mrs Debbie Bull

2022 Primary Spelling Bee Competition

On Thursday 10 November, we held our annual CGS Spelling Bee Competition which has been running for the last 4 years. Competitors from Year 1 to Year 6 competed for the title of Spelling Bee for their Year Level.

There were 10 students from each year level who tried out to be selected and the top 10 from each year level making it through.

Congratulations to all of the competitors. It takes a lot of courage to get up on stage and have a go in this competition.

Placings for the competition are...

Year 1

- 1st Sophie Patulny
- 2nd Georgia Covich
- 3rd Ella Kennedy

Year 2

- 1st Max MacDonald
- 2nd Annika Butchart
- 3rd Zoey Lonsdale

Year 3

- 1st Jonathon Emons
- 2nd Lola McKee
- 3rd Eilidh McKay

Year 4

- 1st Zoe Lamont
- 2nd Jasmine Rann
- 3rd Luca Thame

Year 5

- 1st Vijesh Keewul
- 2nd Kenny McKay
- 3rd Riley Cunnold

Year 6

- 1st Callum Senz
- 2nd Lola Trout
- 3rd Mia Abu Ras

Work Experience

Work experience is a valuable way to gain on the job skills so important for future career pathway choices. The necessary employability skills can be gained in any workplace and can easily be transferred to many different work environments. Employers are always on the look out for prospective students who demonstrate a range of skill sets ideal for their industry.

Skillhire is offering a 3-day Try-A-Trade. If you are interested to enrol your child, please click the link below and complete and then submit as an individual application. Once you have submitted your details and chosen the 'trade' you wish to participate, they will notify you of the dates and venue.

Please contact Ms Judith Stringer if you require further information.

FREE
3-DAY
TRY-A-TRADE
SCHOOL HOLIDAY PROGRAM

No cost for students or schools to participate!

In partnership with the Construction Training Fund (CTF), we're running a series of 3 day Try a Trade programs at our Forrestfield and Joondalup facilities.

This is a free opportunity for students in years 9 - 12 to try their hands at bricklaying or carpentry over the school holidays. The taster program is fully funded by CTF.

Applications for individual enrolments are also accepted.

Click this link bit.ly/3zRfyOe to register through CTF.

Year 8 Perth City Navigation – 4 November 2022

Captain Cooke was never quoted as saying “Hey Siri, take me to Optus Stadium! What? It’s not working! What’s the Wi-Fi password?”

The annual Year 8 Perth City Navigation Challenge saw our cohort flood into the city in an amazing race-style hunt for clues, pictures, information and selfies. Points would be awarded for correct answers and the team with the greatest score would be named champion. Although the challenge was to be completed on their iPads, our students had to make use of street maps, public transport and wits to find each location.

Every group had their own starting location with two very strict rules: 1. Stay together. 2. Don’t get to the start point after 1:15 pm.

And with that, they were off plotting their routes through the city. It was excellent to see our students honing their teamwork and communication skills.

There was certainly plenty to see and learn. To give you a sense of the size of the challenge, there were a total of 163 points to be awarded across 23 locations in the city. When another group was spotted, there was a brief, joyous acknowledgement before the journey continued. Mr Kelly’s group was thrilled to bump into another South African, Australian cricketer Marnus Labuschagne.

At the first Extended PCG opportunity, the entire Year group filed into the Drama room for what was to be a buzzing prize-giving event. The excitement was palpable. Which group had been successful in their pursuit of points in the city?

Year 8 Perth City Navigation cont...

Team Player Award

Congratulations to the following students who were chosen by their group's teacher and Year 11 leaders as the best team player on the day: Group 1, Miss Cartwright – Drew Lewis; Group 2, Mr Jones – Jazmin Sgarlata; Group 3, Ms Bamkin – Cameron Rann; Group 4, Mr Greeff – Seth Fox; Group 5, Mrs Lister – Lachlan Mateljan; Group 6, Mr Kelly – Maddie Cooke; Group 7, Ms Culverhouse – Tylah Foreman.

Winning Team

With the grand prize of pizzas at lunch for the winning group, the results were as follows:

3rd place on 41 points – Mrs Lister's group

2nd place on 42 points – Mr Greeff's group

1st place on 44 points – Ms Bamkin's group

Congratulations to group members Bryn Davies, Ali Hakimi, Riley Hodkinson, Valentino Isidore, Zac Johnson, Miles Lacey, Max McCoy, Kaiden McGeown, Cameron Rann, Jamie Saunders, Fletcher Tinsley, Cameron Young, Shay-Li Reid, Madison Grover and Ms Bamkin on your win!

Year 8 Perth City Navigation cont...

The Year 8 students can be proud of how they interacted with the public during the challenge. It was pleasing to see some special citizens complimenting some of our students on their behaviour and manners. Way to go, Year 8s!

Mr Ross Greeff

Year 4 Kwinana Excursion

On Monday 17 October the Year 4 classes went on a walking tour of the Kwinana city area as part of their learning in how local communities cater for children.

They started the day at the Kwinana Adventure Playground where they were explained how the park caters for people of all ages and ability levels. They then went on to the Kwinana Zone Youth Centre where they were shown how the centre provides a safe space for children to participate in a variety of activities including roller skating, sports, video games, crafts, I.T. and even music recording.

Next up was the Kwinana Rec-quatic Centre where the students got to see how the centre has a variety of sporting facilities available for personal use and the events and sporting sessions, including swimming, they run for children.

After lunch the students were shown how the modern-day library has not only books but a whole array of information and entertainment options. They then engaged in a learning session with one of the library coordinators on how they can become safer digital citizens.

After our longest walk of the day, we arrived at the Koorliny Arts Centre where we were shown all the backstage workings of a theatre. They also showed all the facilities that are used by students and children for a variety of musical and theatrical purposes.

Finally, we arrived at our last destination the Kwinana City Council offices where we were lucky enough to meet Mayor Carol Adams. She then explained to the students what the role of the city council is and how they go about putting in place all the wonderful facilities and activities that the youth engage in.

After a long and full day, the classes headed back to school eager to begin writing their letters to Ms Rodrigues about how they felt our school could benefit from one or more of these services.

Mr Gavin Fitton

Thread The Needle Challenge

Congratulations to **Whitby** for coming out victorious for what proved to be a very challenging activity; the margin for error was mere centimetres through the gazebo triangles – Which really put our pinpoint rugby passing to the test!

Needless to say, honourable mentions to Hall of Fame inductees for the inaugural event:

- Females: **Phoebe McQuade**: 10 points
- Males: **Lachlan Mateljan**: 70 points
- Staff: **Mr Jenkin**: 30 points

Looking forward to badging lots of students with House Colours at the upcoming Assembly in Week 6!

Next up; House Spelling Bee - Week 5 and Netball Shoot Out - Week 7. These events will be the last chances to earn some hotly contested House Shield points and contribute to students' individual House Colours Badge attainment!

Remember;

- 100 points = Bronze
- 200 points = Silver
- 300 points = Gold

All House Colours points can be tracked live on Seqta thanks to Secondary **Whitby** Coordinator **Mrs Johnson** – So get checking and involve yourself in House life; “**Leap into action**” / “**Rise to the occasion**”!

Moreover, **Mrs Johnson** and I are so excited to award the first ever respective “**Whitby & Yarrabah's of The Year**” (the standout student from each House to have achieved the most points in 2022) at Presentation Night!

Mr Ben Freel

Secondary **Yarrabah** Coordinator
